

Small to Midsize Firm Directory

Bay Area

Due to the large number of small and midsize firms located throughout the Bay Area, the Directory is not intended to serve as an exhaustive list of all such firms. Please see "Researching and Identifying Small Firms" in the Small & Midsize Firm Guide to learn how to expand your search beyond the Directory. **The information in this Directory is current as of December 2015. Additionally, we will continue to add more firms and provide updated versions of the Directory.** Please note that with attorney movement from one firm to another, some of the firm names, number of attorneys, and practice areas listed within the Directory may have changed. Please feel free to use the Directory as a starting point in your small and midsize firm research, and be sure to double check all firm names on Martindale Hubbell and the California Bar website before sending out any direct application materials. The Career Services Office does not recommend that students mass mail their resumes to all of the firms listed in the Directory. The Directory is meant to be used as a research tool for students to utilize in their own individual, directed job search.

Firms marked with an asterisk (*) have at least one known King Hall alumnus. Students are encouraged to research firms to double-check for possible alumni contacts.
